Comments	C3 was in the shower after flushing his hair. He came out showing staff his sore leg. Staff asked how he sustained the bruises and he explained that while he was scrubbing his legs in the shower, his right leg got bruised. Nurse Shanon was contacted and she directed that he should be taken to ER but C3 declined to go to ER. The nurse again was updated on the development, and she directed arrangement be made for him to see the PCP Doctor in the office. Information was communicated to the unit Coordinator.
