Comments:	Both David and Douglas were home today. Douglas got a shower and got dressed for to 3:30pm appointment around 11:45am and was picked up by another staff around 1:00pm. I washed all D.R linen all his bed it is in the dryer. David's clothes were washed as well he threw them on the chair in his room when asked to put them away. David also refused a shower when suggested to him. All needs given and documented

Co-ordinator:	Olatde Oluwajidun
Staff Name:	Oluwewa-ugo Dasanmola
Comments:	Today's shift was successful too. RK had a little moment in the morning because he wanted to go to day program and i was able to redirect him and he became calm after a moment of about 5 minutes. Aside that all other things went on smoothly. No incident report. No reports on any member in the unit. As at the time of filling this report, all individuals were asleep.
