

CHECKLIST OF THINGS TO DO IF VEHICLE YOU ARE DRIVING MEETS WITH AN ACCIDENT

1. Check if all passengers are all right.

2. Visually examine all passengers for injuries. If anyone is complaining of pain, DO NOT MOVE HIM/HER. Instead call or seek assistance to call an ambulance and wait till it arrives.

3. If you are unable to call ambulance you should take assistance of any witness to call the ambulance and ask him/her to call the emergency numbers listed in the last paragraph.

4. If any individual has stopped breathing or is bleeding excessively you should immediately inform the accident response team (911).

5. If the passengers appear uninjured, your immediate action should be to move everyone out of harm's way.

6. If the vehicle is operable, drive the vehicle off the road as quickly as possible. If the vehicle does not run, escort everyone to a place of safety off the road.

7. Call the police. *The police must be called for every accident involving a Company vehicle no matter how small.* Police complaint number, police officer's name & badge number and the officer's telephone number must be recorded.

8. Complete 'On the Spot Accident Report'.

9. <u>All occupants in the CSC vehicle involved in an accident will be taken to the hospital</u> <u>emergency room for check-up *even if* no one complains or appears uninjured.</u>

10. *Emergency Numbers :-* The following are to be notified immediately on occurrence:

- a. Your Supervisor:
- *b.* Thomas Alexander : 443 277 9475
- c. Jai Nibber : 443 473 4351
