Comments	We are supporting them this morning via our stay holder that he uses for support along with the support of the staff. when he slipped off and fell to the ground staff hurriedly to catch him and provide cushion support and he brushed his left knee. adequate first aid treatment was given by washing the affected area. Neoprene from the first aid kit was applied before placing bandage on it. the nurse thereafter who ask staff to monitor the pain swelling bruising and bleeding and to call back if off this are noticed. The coordinator was also notified of the incident at the time of this report. HE is in the living room watching tv with staff.
