Comments	I would like to know when someone is coming to take of the repairs in this house, the facing on the kitchen door is broke off, the kitchen cabinet door is off the hinge, paint off the closet door Refrigerator bulb is hanging down the the frig, which is dangerous. It is no need to report problems in the house if no one is going to fix them. These repairs exist for a month now. At least some of them was a month and as more repairs come up, you are letting the house fall apart. Please fix it Thanks Guy Jones
