Comments	All 4 staff both David and Douglas were home today. I assigned to David to take a shower due to "Nites having a body odor, but he refused and stated" that he wasn't taking a shower and he is able to without having to shower. So in other words he wants to have a "shower" that has a "shower" that has a "shower" Douglas call and cancelled this weekly therapy appointment as Kenneth Krueger due to the weather. He stated that the rain would change his schedule. All made work given and documented for Nites Nites
