Comments	This note was written on the 31st because of how late I got back in with Douglas after taking him out shopping, which was at 5:30pm. DB and I went out to get his glasses and to Mondwin Mall. DB was given a total of 2705 from CSC 1508 for his phone and 1205 for sheets which left him with 185 change. He also spent his check that was given to him from Social Security which was for 3005 and he spent 299.33 of that check which was from Target.
