| Comments | Both David and Douglas were both home today. Douglas went to his weekly therapy appointment. When I went to give 12noon meds DB didn't have any of his afternoon meds in the cabinet in his draw. I call Kamille around 11:40am to find out about DB meds but I didn't get an answer, so I sent atext message, no reply. As a result I just documented on the back of the MAR that meds were not given because they weren't in the unit and that I contacted the coordinator. |
